FACTORS TO BE CONSIDERED IN REVIEW OF APPLICATION

- Academic achievement
- Personal statement
- Resume

LENGTH AND AMOUNT OF AWARD

The awards will be for the Fall 2017 and Spring 2018 academic year. In the case of students receiving other forms of financial aid, the total value of this award and all other financial aid may not exceed the student's computed financial need as determined by the Financial Aid Office.

A semester and cumulative GPA specific to the named scholarship must be maintained between the award date and the semester to which the award is applied. The Dean of UH Hilo College of Business and Economics or the Dean's representative will confirm continued eligibility.

An award is typically granted for a period of one regular academic year (Fall and Spring semesters). Continuation of the Scholarship from the Fall through the Spring semester is contingent upon completion of at least **12 graded credit hours each semester** at UH Hilo with a **minimum cumulative and current semester GPA of said scholarship**. Course credits for which students elect the CR/NC option *do not* count in the total number of credits (unless a course is required for the major and offered only on a CR/NC basis).

Only complete applications will be reviewed and considered. Late applications will be considered should there be remaining funds available.
