LENGTH AND AMOUNT OF AWARD

The award will be for the Fall 2016 and Spring 2017 academic year. In the case of students receiving other forms of financial aid, the total value of this award and all other financial aid may not exceed the student’s computed financial need as determined by the Financial Aid Office.

A 3.0 semester and cumulative GPA must be maintained between the award date and the semester to which the award is applied. The Dean of UHH College of Business and Economics or the Dean’s representative will confirm continued eligibility.

An award is typically granted for a period of one regular academic year (Fall and Spring semesters). Continuation of the Scholarship from the Fall through the Spring semester is contingent upon completion of at least 12 graded credit hours each semester with a minimum cumulative and current semester GPA of 3.0. Course credits for which students elect the CR/NC option do not count in the total number of credits (unless a course is required for the major and offered only on a CR/NC basis).

Eligible students who applied for, but did not receive, an award in the Fall semester will be considered for Spring semester award if funds become available as determined by the CoBE dean or its representative. Students who are then awarded the scholarship for the Spring semester will be notified by the College of Business and Economics at the beginning of the Spring semester.

The Scholarship may be awarded for a maximum of four (4) years or eight (8) semesters. Students must reapply for the scholarship each academic year.
